*I take what I want, and what I want is Olivia...*

I wanted her the moment I saw her.  
Virgin curves, sun-kissed lips, legs that wouldn't quit.  
She craved adventure, and I craved her.  
Billionaires don't ask permission, they just take.  
So I took Olivia... all night long.  
Before I could taste her again, she disappeared.

Two years later, she's back. Olivia's my new secretary.  
And she has a big secret, my son.  
We revisited our past. And woke up with a ring on our fingers.  
This marriage may be a mistake, but my vows are real.

**But someone's still trying to keep us apart...**  
**And whoever kept me away from my family will f\*cking pay!**
