A gorgeously illustrated and inspiring lifestyle book from the major recording artist and songwriter, style entrepreneur, and television personality Jessie James Decker, featuring delectable family recipes, amazing fashion tips, pregnancy advice, health and beauty tutorials, practical dating secrets, and more.

Millions admire Jessie James Decker for her tremendous talent, down-to-earth, girl-next-door personality and spunky sense of humor, and her adorable family and loving marriage to NFL player Eric Decker. Whether she's giving fans a window into her life on *Eric & Jessie*, belting out one of her #1 hit country songs, creating a new style for her fashion brand "Kittenish" or another scent for her Target perfume brand, fans also look to her for style and advice to add beauty to their daily lives.

Now, Jessie offers fans a wider glimpse into her life and her journey from dancing and singing toddler to a superstar and mom with toddlers of her own. *Just Jessie* is filled with warm and practical advice on a variety of topics, from starting a new business to starting a new family. Jessie shares personal stories about growing up as the perpetual "new kid," overcoming her social anxiety, her experiences with postpartum depression, her close relationship with her mom, and how she does it all, balancing work and family. With humor and honesty, Jessie proves how dedication, passion, and 10 hearty, delicious recipes can help you create a fulfilling and exciting life.

*Just Jessie* includes 125 beautiful, intimate photographs, including a collection taken by Jessie's mother.
